

ANA DIWEDI

AI Product Manager | B2B Digital Platforms | Customer Experience

9621014311 • anamassey2016@gmail.com • linkedin.com/in/anadiwedi • Hyderabad, India

PROFESSIONAL SUMMARY

AI Product Manager with 6+ years of experience driving digital transformation across B2B platforms in Banking, Telecom, and Insurance. Proven track record of leveraging AI/LLM technologies, data analytics, and customer insights to build impactful products. Experienced in leading cross-functional global teams, defining product strategy, and delivering measurable outcomes including NPS improvement, take rate growth, and customer engagement gains.

KEY ACHIEVEMENTS

- Increased customer engagement by 20% through AI-driven digital adoption initiatives at Verizon
- Drove NPS improvement from 44 to 60 on two separate occasions at ICICI Bank by solving distinct CX challenges
- Achieved 10% increase in take rate for flagship mobile service plan through data-driven root cause analysis
- Improved personalization via Next Best Action (NBA) strategies, boosting customer satisfaction by 15%
- Reduced CRM data issues by 10% through targeted database maintenance and quality initiatives

PROFESSIONAL EXPERIENCE

Product Manager | **Verizon** | Hyderabad

Nov 2024 – Dec 2025

- Led AI-driven digital adoption initiatives to simplify customer journeys and reduce friction across B2B platforms
- Defined AI Product Roadmap for Gen AI initiatives delivering measurable business impact: cost reduction, productivity gains, and reduced story points
- Leveraged Medallia, Quantum Metrics, and qualitative inputs to identify pain points and convert them into product initiatives
- Drove customer adoption strategy for the new Verizon app, nudging users from portal to app to increase engagement
- Diagnosed a drop in flagship mobile service plan performance through data-driven root cause analysis, resulting in a 10% take rate increase
- Managed end-to-end product delivery and prioritized backlog balancing business impact, customer value, effort, and technical feasibility
- Defined KPIs and measured product success using Adobe Analytics and Tableau
- Partnered with US stakeholders and cross-functional global teams on strategic priorities and execution

Product Manager | **Bajaj Allianz Life Insurance** | Pune

Apr 2024 – Aug 2024

- Led adoption of a mobile CRM interface enabling real-time field access and improving sales team productivity
- Oversaw CRM database maintenance initiatives, reducing data-related customer issues by 10%
- Partnered with IT and engineering teams to define solution approaches, support UAT, and deliver enhancements
- Coordinated integrations with third-party applications ensuring seamless system interoperability
- Received, analysed, and prioritized CRM-related requests from internal stakeholders for timely delivery

Product Manager | **ICICI Bank** | Mumbai

Jun 2021 – Apr 2024

- Led platform product management for Mobile and Web Banking solutions supporting Corporate & Investment Banking (CIB) customers

- Drove NPS improvement from 44 to 60 on two separate occasions by solving distinct customer experience challenges
- Implemented NBA (Next Best Action) strategies to enhance personalization, improving customer satisfaction by 15%
- Led UI/UX and business-focused initiatives improving usability, performance, and customer experience across banking platforms
- Engaged directly with customers and customer-facing teams to validate new product opportunities and solution hypotheses
- Captured Voice of Customer (VOC) inputs and translated requirements into actionable product features and backlog items
- Managed UAT and staging activities, ensuring readiness for production releases

Business Development & Marketing Intern | NIVEA India | Pune

2020 – 2021

- Managed sales and marketing initiatives for NIVEA products, driving brand visibility and market penetration
- Achieved a 4% sales conversion rate through targeted outreach and relationship-driven selling
- Presented company offerings to potential retail clients, communicating product value propositions effectively

EDUCATION

PGDM, Marketing & Finance | ISB&M Pune (International School of Business & Media)

Bachelor of Commerce (B.Com), Accounting | Isabella Thoburn College
